

## THE 1962 ARGO

WESTMINSTER COLLEGE

New Wilmington, Pa.

ERNEST WOOD, Editor

## FOREWORD

To each of us Westminster means something different. The years spent here have been filled with many events. At times we ourselves were in the spotlight but most often we were merely part of the crowd looking at others.

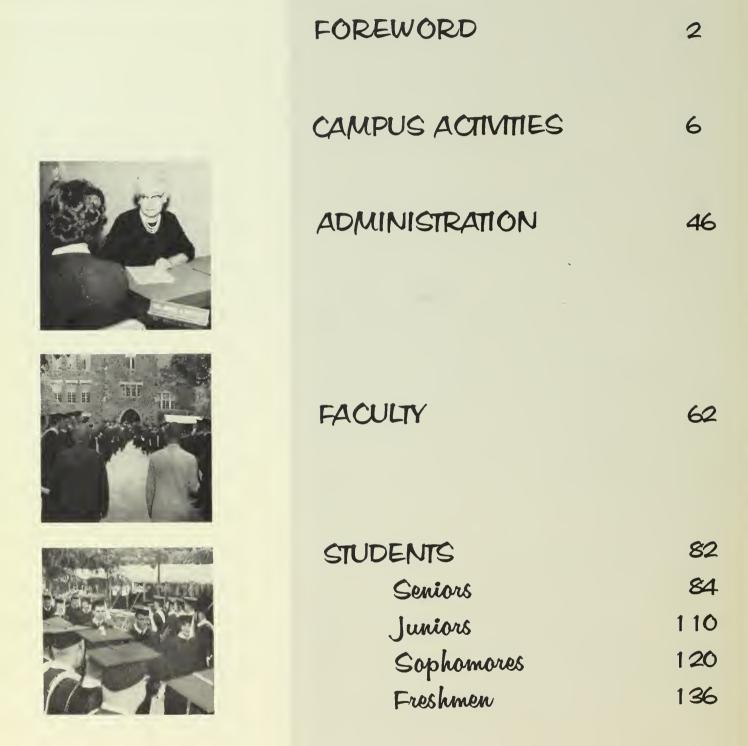

In this year's Argo we have tried to depict Westminster from both angles. Occasionally the camera will be focused on you but

most of the time you are the photographer. You each have taken your own mental photo album with you. We cannot hope to duplicate that. However, as time passes, the pictures will grow fuzzy and faded, some will disappear. It is hoped that the small portion of college life we have presented will help to restore the Westminster which only you can know.

## CAMPUS ACTIVITIES

The mental camera begins working the moment the college freshman arrives on campus. Freshman Week speeds by with a flourish of activity. The freshman meets first with the usual tests of intelligence, then with a test of patience going through the long line at freshman reception. Finally, he meets with a test of endurance during the trying experience of registration.

After the upperclassmen arrive on campus, the lowly freshman must go through one more test before he can once again be admitted to the human race. Hell Week is a memorable experience for all and after the smoke of Tribunal has cleared away the freshmen find that college life can be enjoyable.

Soon the leaves begin to turn and fall and college life takes on the routine hustle and bustle of classes and occasional trips to the T.U.B. All goes smoothly until preparation for Homecoming begins.

Preparation for Homecoming may involve many things. General cleaning of rooms, suites, and fraternity houses takes place and many long hours are spent building floats. Finally, the big weekend comes and is celebrated by the crowning of the new Homecoming Queen, trophies for the winning floats, a victorious football game and the Dance of the Year at Idora Park.

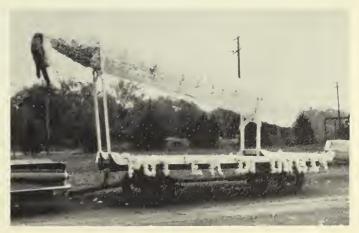

Recreation is purely a matter of personal preference. Undergraduates may find fun wherever they choose, within the limits established by the regulations of the college. We find much of the activity taking place outside with ball games, cycling, and bull sessions while the weather is warm.

When winter winds begin to blow, the active Westminster student moves inside to participate in bridge games, pool matches, dorm parties, and other activities. The most popular form of recreation for all was twisting in the Union. For some it was recreation as a participant, for others it was entertainment as an observer.

For the playgoer, Westminster's Little Theater provides entertainment throughout the year. The productions presented this year were "Hedda Gabler," "Thor, With Angels," and "Antigone." The speech department also teamed up with the music department to present the musical comedies "Roaring Camp," and "Kittiwake Island." At Christmastime they also presented us with a "Living Nativity."

When nights are chilly, there are always indoor activities for the weekend. It may be studying for a lab practicle, writing a late term paper, catching up on studies in the library, reading that new book, or throwing a party in the suite.

No one really likes Rush. To the fraternities and sororities it is a rough three weeks of impressing potential members, trying to be polite but distant to those not wanted, and spending nights without sleep voting on the rushees. To the wide-eyed freshman it seems like a return of the Nuremberg Trial. To the independents it is a time to be care-free.

Dorm living is always an interesting facet of college life. There are those late dorm meetings, that long awaited telephone call, the fellowship in the dining hall, and the evening get-together. In every dorm one will find a practical joker, a daytime lover, and a dramatist. What a life!

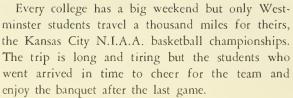

With spring comes lethargic moods and laziness. The campus takes on the facade of a country club and the students are found lounging on the grass or relaxing in the dorms. Some try to study, some talk, and others give it all up as a lost cause.

Along with spring comes Greek Weekend with all the fraternity campaigns which try to influence the women's votes. The king is crowned at a big carnival with booths and entertainment provided by all the Greek organizations.

Another springtime event is Alpha Sigma Phi's Siglympics. Each sorority competes in the many events in an attempt to win the much coveted trophy.

As the end of the year approaches the momentum increases and we find students working to put out the final edition of *Scrawl*, conferring on that important discussion for speech class, working on term papers, or taking that last break before the onslaught of finals.

This spring saw the dedication of the new Arts and Science Building and the adoption of one chapel period a day.

Concert Choir went on its annual tour and returned safe, tired, far behind in school work, but with memories of a wonderful trip to Boston.

Parents' day was a success as usual and for the first

Parents' day was a success as usual and for the first time in the history of Sing and Swing the audience could sit in comfort because of the new auditorium.

As classes draw to a close, students take time off to catch that early tan on Galbreath roof and have that final discussion with friends before going into hibernation to study for finals. We find students cramming in the most unusual places.

During the period after finals we find those left on campus trying to find recreation in any way possible. Some travel to Volant Dam, others join in singing in front of the Union. Now is the time for the talk and loafing which most have been wanting to do all year.

On Alumni Day there is the lovely Mayday pageant with last year's queen and court relinquishing their places of honor for the new queen and her court. The campus is visited by many alumni, including the queens of classes holding reunions who take part in the ceremony. After the crowning has taken place, the newly selected Cwens do a Maypole dance in honor of the queen.

With graduation, the last page of our album is filled. Most will return to Westminster sometime in the future but things will never be the same. The campus and people on it will change. Perhaps these pages can help restore the memory of what Westminster was for you.

# ADMINISTRATION

Dear Friends of the Class of 1962:

This issue of Argo, belonging to you in a very intimate way, is all yours. Others may be casually interested in it, but their interest will pass. Yours will grow and deepen with the years because this volume gives a rather personal account of your college years. Here are recorded the names and pictures of fellow students, the faculty, the administration, and the campus. Here are permanently chronicled the activities and your contributions to each.

Time has a way of erasing the memory of things precious to us even as it changes us and our friends. The Argo will be a mark by which you may relive the past, and as time 'delves the parallels in beauty's brow . . .'', compare your classmates tomorrow with their youth of today.

I once saw a group of second, third, and fourth generation Westminster students looking at Argos of many years ago. They eagerly searched out pictures of mother, father, or grandparent when he or she was a college student. I envied them in their eager interest, because I have lost my college annual. I would give much for a copy but no one who has that particular volume will part with it.

In the future, when your eyes are filled with tears and the burdens of life appear greater than your wisdom and strength, remember God gives strength for every burden. He gives, but you must accept. Go from Westminster with the confidence that God will sustain you in time of trouble, and you will do well in the world.

We wish for the Class of 1962 every good thing as you leave the campus.

God bless you.

Paul Bamble

# Assistant to the President

The Great-grandson of one of the original founders of Westminster College is Mr. Paul Gamble who now serves in the capacity of Executive Assistant to the President. His background is rich and deep in past college traditions. Today Mr. Gamble is active in the important part he is playing in college functions.

After graduation from Westminster in 1932, he held the position of program director for W.P.I.C. in Sharon, Pennsylvania. In 1946 he served as a part time faculty member, teaching radio courses. Three years later he became a permanent staff member in the position of Alumni Secretary, and continued in this specific work until May, 1960, when he assumed his present position. This position requires coordination of alumni relations, fund raising, and public relations.

Altogether the twelve years service he has rendered to Westminster have been outstanding. Not only has he been successful in this field of administration, but in many ways he has made additions to the family traditions concerning Westminster.

#### Academic Dean

Placed in the capable hands of Dr. Charles F. Saylor is the responsibility of the academic atmosphere of the college. Under his care and careful guidance are the establishment of courses and curriculum material. His office in Old Main is open to students seeking consultation about their individual programs.

Thirty-five years in the public system yielded an excellent background for Dr. Saylor's present position. This is his fifth year at Westminster, serving two years as professor of education, two years as registrar and presently serving as Academic Dean. Previous to receiving his Doctor of Education degree at Pennsylvania State University, Dr. Saylor did some work at Columbia University. He received his B.A. and M.A. degrees from the University of Pittsburgh.

### William Bolgard

### Director of Student Affairs

The newest refinement in the college administrative area considers chiefly the non-academic life of the student on campus. It is the office of director of student affairs.

Mr. Bolyard "coordinates all phases of student non-academic life by working with other administrators of the Westminster staff," for the welfare of the student.

His appointment book shows a versatility of representation with meetings: dean of women, dean of men, director of admissions and placement, dean of the chapel, college physician, the Student Union Board of Governors, as well as individual students.

Mr. Bolyard's areas of specific concern include the orientation of freshmen and freshman testing in the fall, consisting of the administration, scoring, and result counseling of the SCAT (School and College Ability Test) and the STEP (Sequential Test of Educational Progress), regulations dealing with out-of-class student conduct, student discipline, student aid and employment, health services, non-academic counseling, in which blocks of time are set aside for individual interviews, and union activities, such as the creation of the Student Union Board of Governors.

Co-ordinating religious activities on campus is Rev. Judson McConnell's responsibility. Under his supervision are the daily chapel programs and Sunday evening vespers. His office, located on the first floor of Old Main, is open to students at all times.

An alumnus of Westminster, Rev. McConnell received his B.A. with a major in history in 1955. His theological training was completed at Pittsburgh-Xenia Theological Seminary in 1958. Shortly following graduation he accepted a position at the Wallace Memorial United Presbyterian Church in Greentree, Pa.

Rev. McConnell has undoubtedly attained widespread admiration from the students, those who have worked with him or come to him for advice have found in him the warmth and understanding of a personal friend who inspires trust and confidence.

### Dean of the Chapel

Juanon C. Me Connell

For seven years, Martha B. Whitehill has served as Dean of Women, but to the students of Westminster she is more than this. Dedicating herself to the purpose "of developing the best in young women" she herself has been a representative of ideal womanhood.

It has been our privilege to have her serve as advisor to Pan-Hellenic Council, Cwens, Student Council, Student Conduct Committee, and exofficio advisor to Motarboard. She also supervises the housemothers and directs the orientation of Freshman women.

Before her appointment to her present position, Mrs. Whitehill was for six years the resident director of Ferguson Hall. A native of western Pennsylvania, she taught in Aliquippa and Freedom after receiving her B.A. from Grove City College. The association with young people she has had, has given her background for counseling of anyone seeking her. Many students have found their way to her office and her welcoming smile and words of advice have become a remembered endearment

### Dean of Women

## Martha B. Whitehell

Traham M. Treland

### Dean of Men

Graham M. Ireland completes his fourth year this year as Dean of Men at Westminster. He graduated cum laude from Westminster in 1952 and pursued a career in business, first with American Airlines, and secondly with the treasury department of Republic Steel Corporation.

In the community both Mr. and Mrs. Ireland have served on the New Wilmington Missionary Conference Staff.

Perhaps the concept of student guidance is the most emphasized unofficial function in contrast to the official administrative duties that are performed daily by Dean Ireland.

Dean Ireland is an advisor to Student Council, Student Conduct Committee, Interfraternity Council, and Phoenix.

# Admissions and Placement

Jack B Britablild

John J. Walker

New as a member of the Administration this year is Jack B. Critchfield, Director of Admissions and Placement. This is not the first time he has rendered service in the capacity as for two years before coming to our campus Mr. Critchfield was Assistant Director of Admissions and Director of Freshman Scholarship at the University of Pittsburgh, where he also received his Master's Degree. Mr. Critchfield received his B.A. degree from Slippery Rock State College.

Secretary of Varsity W, Co-Captain of the Basket-ball team, and president of the Senior Class were some of the offices held by John Walker when he was a student at Westminster. His graduation in 1960 did not remove him from the college campus for we now find him as Assistant to the Director of Admissions and Placement. Mr. Walker takes an active role in campus life as advisor to O.D.K. and Thanes.

# ORGANIZATIONS

### LEADERSHIP

#### Student Council

Student Council is the highest legislative body of student government. Its purpose is to control student conduct, sponsor student activities, and interpret student opinion to college authorities and college legislation to the students.

Activities under Council supervision are: Migrations to athletic events, World University Service, Homecoming, Sing and Swing, and Spring Concert.

Student Council holds open meetings and invites participation from the entire college.

ROW 1—A. Stahl, M. J. Moredock, A. Ambrose, Mr. Ireland, Mrs. Whitehill, J. E. Young, N. Siegel, M. McCrory, J. Shoup, E. Thompson, C. Marshall. ROW 2—C. Feick, B. Northam, J. Phillips, E. Brainard. ROW 3—W. Neely, W. Myers, G. Voynick, R. Nelson, J. L'Hommedieu, D. Duerkson, E. Rambo, W. McGill, C. J. Parks.

#### Chapel Committee

The Student Conduct Committee is composed of four students, two teachers, and the two deans. There are two representatives from Senate, one from Inter-Fraternity Council, and one from Student Council.

These individuals deal with cases of misconduct on and off campus. The committee hears cases and then recommends the necessary disciplinary action.

ROW 1—Rev. McConnell, Mrs. Beezley, Mr. McWhinney, Mr. Stuart, Dr. Forry, E. Keelen. ROW 2—Dr. Hendry, Dr. Christy, W. Neely, D. Schlefer, G. Voynick, S. Bletzinger, M. J. Moredock, C. Marshall, R. McLam, B. Northam, Mrs. Fulcomer, M. McCrory.

# Student Conduct Committee

B. Christy, K. Rowe, W. Bellairs, K. Burkhart, E. Keelen, L. Gillie.

#### Mortar Board

To anyone who has seen the oaktag donuts with mortar board hats or eaten the cinnamon donuts they advertise, Mortar Board is a familiar and appreciated group of women.

A national honor society for senior women, Mortar Board established its Westminster chapter just seven years ago. Each spring Mortar Board taps its members from junior women who have attained an all-college 2.0 average and who are credited with outstanding participation in campus activities.

#### Omicron Delta Kappa

ROW 1—R. Galbreath, W. Neely. ROW 2—J. Dugan, W. Jones.

ODK, the junior and senior men's honorary, selects its members on a basis of scholarship and distinctive leadership. As a group these men discuss and channel their efforts toward satisfying the needs of the student body.

The purposes of ODK are:

- 1. To recognize men who have attained high efficiency in college activities and to inspire others to similar attainments.
- 2. To bring together the most representative men in all phases of college life and thus create an organization which will help mold the sentiment of the institution on questions of local and intercollegiate interest.
- 3. To bring together faculty members and students on a basis of mutual interest and understanding.

ROW 1—P. MacDonald. ROW 2—K. Kahle, Mrs. White-hill. ROW 3—P. Ross, A. Stahl, G. Phillips. ROW 4—W. Crankshaw, L. Griffiths, J. Narquint. ROW 5—J. Decker, J. Greenawalt, P. Neebe, G. Holland. ROW 6—S. Erdeky, C. Lynch, L. Lyon. ROW 7—J. Peterson, J. Shoup, J. Cooley. ROW 8—M. Pugh, D. Forrey, G. Manwiller, K. McClure.

The smiles and cheer of the Cwens this year were just as distinguishing as their navy skirts, jackets, and white blouses. Their crown and scepter pins are a mark of the superior quality which they represent.

These sophomore women, chosen for character, leadership, scholarship, and service, extend West-

minster's first welcome to the freshmen. Later in the year, the Cwens served as guides and freshmen tutors. They sold mums on Homecoming, corsages on Parent's Day, sponsored the Terrace Dance and Underwater Whirl, partially supported a Navajo Indian boy, and offered a \$100 scholarship to an outstanding freshman woman.

ROW 1—J. Hutchison. ROW 2—A. Ambrose, W. Myers. ROW 3—H. Marsh, J. Riggans, R. Kosits. ROW 4—D. Groo, J. Ledrick, B. Wright. ROW 5—D. Schrecengost, D. Wolfe, J. Parks.

This newly established sophomore men's honorary has served the campus conscientiously during its year of existence. Under the leadership of James Parks, these men worked with the Cwens during Freshman Week. They were indispensible, carrying trunks, crates, and stuffed animals to every room of Browne Hall and Shaw. Many a freshman woman was impressed with their brawn and savoir faire.

The men of Thanes act as scholastic and social advisors to any freshman—male or female—who might request such assistance.

The Thanes hope to be the charter group in a national sophomore men's honorary.

ROW 1—L. Conaway, K. Rowe, B. Christy, M. McCrory, L. Gillie, B. Northam, E. Keelen, W. Bellairs, J. E. Young. ROW 2—J. Sharp, R. Goode, W. Christy, D. Zinsner, R. Foltz, R. Sass, R. Galbreath, B. Neely. Missing from picture, K. Burkhart.

#### Who's Who

The families and friends of eighteen senior men and women had reason to be especially proud this year. These outstanding personages have been chosen for membership in "Who's Who In American Colleges and Universities" by members of Student Council and other campus organizations.

Loved for their personality; respected for their character, scholarship, leadership, and potential, these students deserve our sincere congratulations.

#### Senate

ROW 1—L. McMurray, M. L. Boyer, J. Derkas, Mrs. Whitehill, G. Carlsen, S. Holtz, C. Abernathy, R. DeWind. ROW 2—P. Baird, B. Evans, M. Robinson, P. Neebe, K. McClure, L. Conaway.

# Student Union Board of Governors

An important aspect of the new administrative policies at Westminster this year is the Board of Governors for the Student Union building. Organized to give students a voice in the Union, this committee determines the policies, rules, and regulations of the Student Union in all areas other than the Bookstore, snack bar, and sleeping rooms.

Senate, its members representing each sorority, each dormitory, and the Student Conduct Committee, is Westminster's governing body for women.

This year, led by Diane Meriam, Senate again sponsored the Freshman Party and traditional Midnight Movie.

Senate members often become counselor, mediator, soother to freshman and upperclass women alike.

ROW 1—R. Forrest, J. Shoup, L. Gillie. ROW 2—B. Neely, J. Moredock, J. Dugan, J. Parks.

ROW 1— J. E. Young, N. Lukens, R. Forrest, M. Smith, L. Leech, Mrs. Whitehill. ROW 2—C. Christine, S. Bletzinger, J. Harris, J. Gary, D. Keegan.

#### Pan Hellenic Council

Pairs of blue, red, green, yellow, black, grey, and white blazered girls gather each Monday afternoon to co-ordinate activities and solve problems for seven busy sororities.

Regulating rushing, pledging, and activation, Pan-Hel often serves as an intermediary between sororities and the administration. It sponsors, annually, the 1.0 Freshman Tea, and with IFC, Greek Weekend.

This year Pan-Hel arranged its first workshop featuring two speakers outstanding in fraternity and sorority organization. This workshop provided opportunity to learn about Pan-Hellenic work and its place on a college campus.

#### Inter-Fraternity Council

Three members from each of Westminster's four national fraternities compose Inter-Fraternity Council. This representative organization is the chief coordinating agency between the fraternities and the college administration. IFC establishes and administers policies relating to every aspect of fraternity activity; rushing, pledging, intramurals, and social activities.

The organization annually acts as co-sponsor of Greek Weekend with Pan-Hellenic Council.

ROW 1—Mr. Ireland, D. McLaughlin, Treas., J. Lee, Pres., D. Schlafer, V. P., M. Holm, Sec. ROW 2—J. Dugan, W. Christy, L. Chase, S. Pekich, W. Jones, D. Smith, S. Woods, E. Schade.

Alpha Epsilon chapter of Alpha Gamma Delta has spent another interesting and busy year. They were represented by Judy Shoup, their Homecoming Queen, at the Homecoming Dance, and by the "Odysee-us-win" float in the Homecoming parade. Also during October, other sorority women were entertained by the Alpha Gams' annual Halloween Party in the tunnel. In addition, they planned a party for the crippled children's home in New Castle. During November, they were honored by being invited to initiate a new Alpha Gamma Delta chapter at Thiel.

The two weeks preceding Christmas vacation were filled with preparations for the Alpha Gams' chapel program and the Christmas House Party which was held at the home of an Executive Council member.

Second semester the A.G.'s plunged into plans for rushing. On pledging day they were proud to see sixteen new pledges wearing bright red blazers. Also during second semester they were awarded the inter-sorority scholarship trophy.

The remainder of the year flew by in a whirlwind of activities. They won the "coveted" second place in the volleyball tournament; during Greek weekend they created their wedding cake booth and for entertainment—a revised version of "Don't Fence Me In." Then followed a dinner for parents at the Village Inn on Parents' Day, Sing and Swing, the Spring Formal at the Beaver Valley Country Club, and siglympics. These and other activities have formed another chapter in the history of Alpha Epsilon and will become an integral part of its tradition in years to come.

Beta Gamma Chapter of Beta Sigma Omicron began a year of fellowship—work and fun—at an evening get-together at the home of Dr. Clara Cockerille, one of its patronesses. After this carefree time, events followed in rapid succession for the Beta Sigs.

Renie Barbale was chosen as their representative for Homecoming, and the theme of their float was *Hawaii*. They enjoyed the time spent at the Mercer Children's Home and raising money for the Pine Mountain Settlement School. After our Christmas house party in the chapter room, the holiday season was highlighted by an evening at the home of one of our patronesses, Mrs. Hopkins.

Along with second semester came the initiation of ten new pledges. The actives and pledges enjoyed the annual dinner-dance at the Mercer Moose. Later in the spring, the Beta Sigs were found busily working on a chapel program, the Beta Barber theme for the carnival, and the original song and dance presented at this time.

The Ice Cream Social, Sing and Swing, Parents' Weekend, the spring formal held at Mahoning Country Club, the active dinner at the Coat of Arms, and new blazers gave us a busy, but profitable year.

This past year has been a happy and rewarding one for Omicron Gamma of Chi Omega. In early October they were represented by Sandra Morris in the Homecoming Court and presented their float, "Return of the Native," at the Homecoming game. Later in the month Chi Omega held its annual Pancake Breakfast at the Alpha Sigma Phi house for all sorority women.

During the holiday season Omicron Gamma presented their Christmas Kindness to the Children's Hospital in Pittsburgh, in connection with radio station KDKA. Their Christmas formal was held at the

student union building.

Second semester began with the Chi Omega presentation of "the Best Chapel of the Year Award" to Judson McConnell. The active chapter pledged eighteen outstanding girls and honored them at a houseparty with the Huntsmen as their entertainment. The annual Easter Egg Hunt for the faculty's children was held in March and was followed by Greek Weekend in April. Chi Omega's booth, "Racing Reptiles," was rated high on everyone's list and they stopped the show with their presentation of the Charleston.

Parents' Weekend in early May included Sing and Swing and the annual Eleusian dinner at the Shenango Inn. Serenades. Siglympics, and the Spring Formal at Shuster's in Greenville followed rapidly. School ended with Nancy Seigel representing Omicron Gamma in the May Court, drawing to a close a most memorable and successful year for the women of Chi Omega.

This year has been a busy and successful one for Alpha Phi chapter of Kappa Delta. The KD's began the fall semester by presenting Ginny Frazier as their candidate for Homecoming Queen and "Tobacco Road" as the theme of their float. Other fall activities were the traditional KD Dessert and a Westminster first, an off-campus house party at the Coat of Arms.

The Christmas season brought a delicious dinner given by the patronesses and the Christmas formal at the Sigma Phi Epsilon house. The chapter joined the true Christmas spirit by giving a food basket to a needy family.

After barely recovering from finals, the KD's plunged into formal rush. March saw the pledging of fourteen new girls. The spring semester was very busy for Kappa Delta. After an intensive brain-storming session, the KD's created their annual chapel program. April brought Greek Weekend and a KD Can-Can. Other spring semester activities included the orphans' picnic, the spring formal, and Sing and Swing.

Kappa Delta has had a wonderful year and is eagerly looking forward to the activities and events of the coming year.

Later in the fall Phi Mu entertained the other sororities with a "Coketail Party." At the end of the semester, the chapter room was redecorated with Danish Modern furniture.

The women of Phi Mu did well in intersorority sports, placing first in volleyball and second in basketball. They also won the Sigma Nu volleyball trophy.

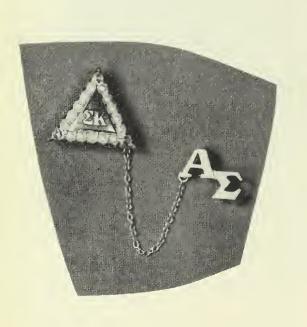

For a social project the Phi Mu's sponsored a German boy through the sale of potato chips in the dorms.

Second semester Phi Mu pledged seven girls. For Greek Weekend the booth was "The Cat's Meow" and the entertainment was a dance, "By the Sea." The women of Phi Mu closed a successful year by joining the other Greeks in Sing and Swing and winning the Siglympics.

Alpha Sigma of Sigma Kappa officially opened the 1961-62 school year with the presentation of Lucy Kiser as Homecoming candidate and our float, "Heidi Alums." At the Homecoming meeting of our Mothers' Club, it was voted to present us with ceremonial robes.

—Thanks, Moms!

Following a successful spaghetti dinner, house-mothers' breakfast, and hayride for all Sig Kaps, we had our annual Christmas formal. Christmas, as always, was a busy time for the Sigma Kappas. As part of our philanthropy program, we visited Overlook and Elmira Sanitariums and presented a program for the patients. Favors were made weekly for the patients' trays at Overlook, and contributions were sent to Maine Sea-Coast Mission and the Greek Farm School. Still another philanthropy project of Sigma Kappa was our trip to the Mars Children's Home where we presented a program for the children and then visited with them.

Second semester we were busily engaged in rush. Pledge day found ten wonderful girls wearing white jackets. Our annual pledge dinner was held at the Tavern where each girl was presented with an African violet. The pledges were then presented at a party held at the Coat-of-Arms.

Greek Weekend found us busily making our "Satan Sigma" booth and participating in the entertainment with "The Telephone Hour," a selection from "Bye-Bye Birdie."

A successful year for the Sig Kaps drew to a close with our annual spring formal at the Greenville Country Club.

The first activity the women of Theta Upsilon looked forward to this past year was Homecoming. "Moby Dick," their float for the day, captured second place in the competition. That evening at the Homecoming Dance, Barbara Shaw represented the T U's as their Homecoming queen candidate. The T U's again joined forces to erect the miniature golf course for the amusement of the other organizations participating in the festivities of Greek Weekend. The Theta U beach party numbers added to the evening's entertainment.

The main Theta U activities for the year included casual house parties and the annual "Do-nut Dunk." March found the T U's proudly accepting into their membership seventeen pledges. The annual T U slumber party topped off an exciting pledging day. The presentation of a chapel program and the sponsoring of a movie added to their busy schedule.

Two service projects supported by the T U's offered much in the way of outreach of sorority benefits. Clothes and school supplies were sent to the Navajo Indians, while the sorority members took gifts to the Elmira Home for the aged.

The most important and significant event this year for the T U's was the merging of the Theta Upsilon sorority with the Delta Zeta sorority.

The year drew quickly to a close as Parents' Weekend and Sing and Swing flew by. Siglympics and the sorority formal brought to a close one last busy year for the Theta U's.

Alpha Sigma Phi began another successful year with serenades for the freshman women, followed by their sixth consecutive Homecoming trophy with a float entitled "For Whom The Bell Tolls." There was good representation, as usual, in intramural football and basketball. The fall social season was highlighted by several houseparties including the Club Alpha Sig formal. The first semester was ended with the Christmas chapel program, a Christmas party for boys from George Junior Republic, and the Christmas formal with the crowning of the sweetheart.

The second semester was begun with plans to re-do the house. Rushing followed with sixteen new Alpha Sigs. Greek Weekend saw a winning Alpha Sigma Phi campaign with Bill Myers as Ichabod the 1962 IFC king. The Spring formal was held at the Greenville Country Club. The year was brought to a close with softball, siglympics and a Spring picnic.

The coming of the second semester brought 21 pledges to the brotherhood. A Phi Tau Sweetheart was chosen at the Spring Formal held at the Shenango Inn in Sharon. The Sigma Nu's did well again this year in intramural competition by winning top honors in both football and basketball. Each of these teams also played other Sigma Nu chapters and made a fine showing in this respect too.

Sigma Nu was busy in other areas also. Perhaps the area of greatest achievement was the addition of a housemother's quarters. The housemother will begin her stay with us next September. The annual I.F.C. campaign featured Jim Glaser who impersonated the astronaut, Troy Donahue, Van Cliburn, Dr. Kildare, Jack Parr, and the Millionaire in the personages of "The Great Imposter." Rushing, which was topped off by a fine pledge class, along with the annual Sigma Nu volleyball tournament held for the entire school, also kept the fraternity quite busy.

The many social activities of the first semester were highlighted by the annual tea held for freshman women, and the Sigma Nu Christmas formal, which was held at the Penn-Sheraton Hotel in Pittsburgh. The highlight of the second semester was the White Rose formal, held at Edgewood Country Club, which featured the crowning of the White Rose Queen. Numerous house parties also helped to make the year a fine social success.

Each member of Sigma Nu was well pleased with a successful and rewarding year.

Sigma Phi Epsilon opened the school year of 1961-62 with a complete remodeling of the kitchen, which was sponsored by the alumni. The area of the kitchen was expanded and a new range, grill, deep fryer and dishwasher were installed. Our annual Freshman tea was held in October and the kitchen was completed in November.

The Sig Eps had a good year for new members, picking up eighteen in the fall and twenty-seven during the Formal Rush period second semester. The fraternity initiated something new to Westminster's campus by presenting two jam sessions. The first was held at the house and the second in the Student Union Building as a part of the Greek Weekend campaign. Steve Pekich was presented as *Mr. Twister* and backed by a fine campaign.

The intramural basketball season got off to a good start for the fraternity with their A team winning the Pre-season tournament. Greenville was the scene of the Sig Eps' Christmas Formal and the annual Sweetheart Dance was held on campus in March. In April, 1962, the members sponsored an Alumni Day welcoming all alumni of the fraternity to visit the house. Other activities during the year that were presented by or participated in by the fraternity were the Spring Formal, Serenades, Sing and Swing, intramural softball, and many house parties.

#### Outstanding Seniors

The team was co-captained this year by Steve Pekich and Jerry Ferguson. Norm Bemiss' fine rushing led the team with a 4.9 average. Gene Susi topped the team in passing with 24 attempts and 15 completions giving him a 62% average. Senior Jerry Ferguson was top scorer with 6 TD's.

Senior Blair Gensamer led on kickoff returns with a total gain of 140 yds.

The remaining seniors, Less Foster, Dick Knowles, Paul McNelly, and Jim Walker, helped to bring the season to a close with a fine 6-2 record.

Westminster Titans completed a very successful season winning the West Penn Conference title for the fourth straight year. The Titans overpowered four of the five WPC opponent teams, posting a fine 6-2 record.

In the opening game, Indiana's earlier record with East Carolina State, North Carolina, did not hinder the Titan men as they ground out a 19-7 victory. The following Saturday afternoon the Titans met Grove City in what appeared would be an easy victory. Gene Susi hit Jack Murray with a pass over the middle for the Titans' first touchdown. The half-time saw the Burrymen with a lead of 13-7. The shrill blast of the whistle resounded in the air and the red flag waved as Grove City came through with two touchdowns to give them a 21-13 victory. At Geneva the Titans defeated their longstanding rival, 7-0.

The next football encounter saw the squad down St. Vincent 28-7, thrilling an enthusiastic Homecoming crowd. Ellis handed off to Ferguson for the first score. Susi followed by hitting Steve Pekich in the end zone for the Titans' second TD. Ellis again connected to Knowles for a 50 yd. TD pass which all but ended the "Saints" march.

The squad later traveled to Waynesburg partially clinching the WPC by a score of 7-6. Coach Burry's squad suffered an abundance of injuries throughout the season affecting Jack Murray, Wayne Swift, Blair Gensemar, and Cal Kummer. Slippery Rock's abundance of substitutes overpowered our injury-riddled team by a score of 21-14. Carnegie Tech, eager to repeat last year's 6-0 victory over the Titans, found the tables turned. Norm Bemiss, the Titans' top rusher throughout the season, broke loose, blocked well by Jack Lee, running 40 yards for a touchdown. The Titans won 35-7. The season was brought to a conclusion by a 14-7 victory over Juniata.

The 1961 Titan Cross Country team had a conference record this year of five wins, one loss gaining a tie with Carnegie Tech for the West-Penn-Athletic Conference cup. Coached by Cleve Oliver and captained by Tom Truxell the team's spirit and improvement were continuous throughout the season, providing a 5-2 record. Sam Williams, Ed Pollock, Jim Ledrick, Joe Stewart, and Andy Warren provided the winning combination for an obviously successful season.

The scoring in cross country meets is figured according to places achieved at the finish, i.e., 1 point for 1st place, etc., and then a team's places are totaled. This means that the winning team is that with the fewest points.

For one of the most thrilling meets of the season the team journeyed to Pittsburgh and Schenley Park to run against Duquesne University in a West Penn Conference meet. When the afternoon was over the Titans were on top sweeping the first six places and taking nine of the first ten places. Sam Williams paced the Titans over the hilly 4.2 mile course, followed by Tom Truxell, Jim Ledrick, Dave McLaughlin, Al Shephard, Dave Stillwagon, Ed Pollock, and Bill Hammerton. The final score: 15 to 49. Two weeks later the harriers met undefeated Carnegie Tech proudly winning 27-30, securing a tie in the West Penn Conference.

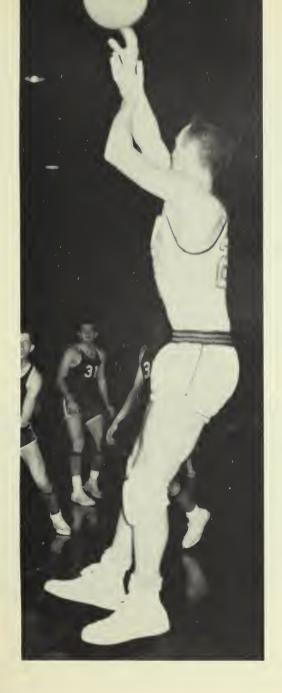

The harriers then proceeded on to Grove City to compete in the WPIAC. This meet pitted one college against another. It was run primarily, however, for individual honors and to determine the best runners in the conference. Sam Williams placed second in this run of champions and Andy Warren and Tom Truxell eighth and ninth respectively.

### BASKETBALL

Little remains that has not already been said about the fabulous 1961-62 basketball Titans. The tremendous season and post-season play of Coach Buzz Ridl's cagers has rocketed Westminster into national, sports fame and left the fans with great memories of one of the finest teams Westminster has ever had.

Among the top highlights of a highlight filled season would be the upset victory over Duquesne, a large-college basketball power; the victory over The Citadel in the finals of the Canton holiday tourney; the revenge victory over University of Pittsburgh, and the narrow victory over McMurry State in the NAIA national tourney.

During the season the Titans romped over 18 opponents as they dropped only two games. During the Christmas holidays they won the championship in the Canton tournament. They were selected for the

NAIA state playoffs, and topped Alliance and Mansfield for the right to go to the national NAIA tournament in Kansas City for the fifth consecutive year.

In the tournament Westminster bested her first four opponents as she moved to the finals. They met Prairie View in the finals in what would be the small-college game-of-the-century. The Titans had to settle for second place as the tall Texas team outjumped the Titans for a 62-53 victory.

Recognition of the outstanding play of the Titans was not slow in coming. The Titans did beat Prairie View in the press polls as they were ranked number one in the small college polls of both the Associated Press and United Press International. This is the first time in recent years that a Westminster team has been ranked so high nationally. Westminster fans were highly pleased to hear that Coach Buzz Ridl had been named NAIA Coach of the Year.

Individual players also received many honors. Ron Galbreath was named to the first team All-American for small colleges by both AP and UPI, and won honorable mention in the AP major colleges' All-American listing, as well as being named to the NAIA All-Tournament first team. Warren Sallade was named West Penn Conference Most Valuable Player and was on the NAIA All-tournament first team. Bob Douds was named to the NAIA All-tournament second team while twin brother Bill won the NAIA Hustle award. Lou Skurcenski received honorable mention on the UPI small college All-American team.

Dave Schrecengost, Bob Oravetz, Jack Kells, and Jack Lockwood provided fine support for the starting five when they were needed.

The team was picked to travel to South America last summer to play exhibition games under the auspices of the State Department.

Swimming is perhaps one of the most rigorous, time consuming sports at Westminster. The season begins with classes in September and ends late in February. There are usually two practices daily, finding the swimmer early to rise and late to bed. During the season, including vacations, the team is always in the pool.

Under the coaching of William McGinnis this year, the Titan tankers faced a year of completely rebuilding the squad. The Titans, who failed to win a meet last season, devoted many long and tedious hours to make this season a winning one.

Captain Jim O'Donnell ended this season unbeaten in his specialties, the 220 and the 440 yard freestyle races.

The Titan swimmers placed third in the Penn-Ohio Conference championship at Carnegie Tech with Jim O'Donnell breaking two records as he finished his college career. His 5:01.9 topped the mark he set last year (5:02.3) in the 440. His time in the 220 set a pool record, but was .6 seconds over the record set by Coach McGinnis, swimming for Slippery Rock last year. Bob Frederick set the school record for diving and Rod Willis added strength to our backstroke events.

Art Hengerer placed sixth in the field of twelve and Ed Schade placed third in both the 100 yard sprint and the 50 yard sprint. Phillips placed sixth in the 50 yard and the 400 yard freestyle relay team of Ed Schade, Jon Woolverton, Frank Clark, and Jim O'Donnell placed third.

The Westminster baseball Titans of 1962 compiled an excellent 13-4 won-lost record. Coach Ridl's men took 10 of 12 conference games.

Pacing the Titans from the mound were Gene Susi, Warren Sallade, Bob Douds, and Rick Sewall. Sallade and Douds ended up with the best won-lost records of 4-1 and 3-0 respectively, while Susi had the lowest E.R.A. of 1.70.

Tim Bailey and Bob Douds swung big bats for the Titans. Tim ended the year with a batting average of .378 with Bob close behind at .375. The Titans scored a total of 89 runs and held their opponents to 50.

Hustle was a major factor in the success of the team. Speed on the base path contributed in their 13 victories. Keeping the opponents' pitchers alert were Bob Douds, Jim Riggans, and Veto Polce with their alert base stealing tactics. Bob Douds and Jim Riggans each recorded 8 stolen bases. In all, the hustling Titans succeeded stealing 48 bases while their opponents managed 4.

During the 1962 season the Westminster track Titans won 4 meets while dropping 3. The Titans were strong in the distances, pole vault, high jump, and hurdles. Two freshmen who were major factors in the success of the team this year were Gib Armstrong and Tom Peaspanen. Gib led the team in the number of 1st places. He ended up with 14 wins and a total of 94½ points. Tom Peaspanen did an excellent job with 4 wins in the shot put. Joe Stewart set a new track record in the 440 yd. run against Baldwin-Wallace with a winning time of 49.5 seconds. The old Westminster record of 50.9 was set by Marlowe Tolbert in 1952.

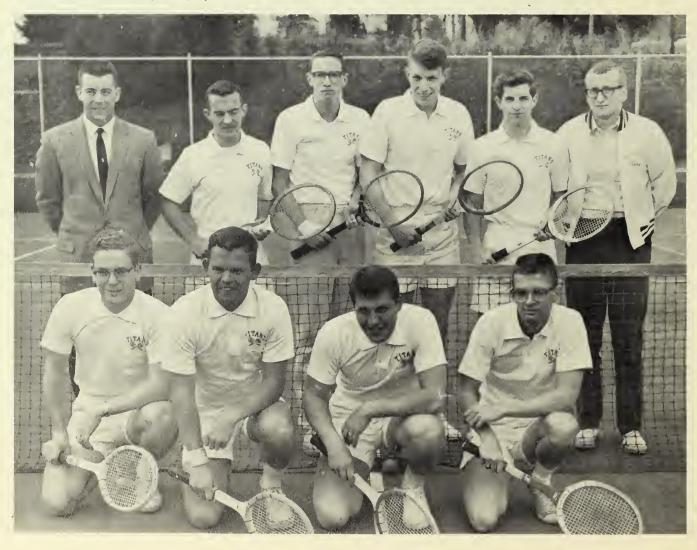

Sam Williams contributed 11 first places in the grueling mile and two-mile events. Steve Pekich and Ed Pollock ran the half-mile for the Titans. John Dick and Joe Stewart were the 440 yard men for the Titans. Bill McKnight and Jim Horn were dependable point getters in the pole vault.

The thinclads got off to a slow start as they dropped their first meet to Slippery Rock and fell the following week to powerful Baldwin-Wallace. With experience they began to improve and won their next four meets. The season ended successfully as the Titans claimed second place in the West Penn Conference tournament.

ROW 1—J. Knarr, J. Plummer, J. Glaser, T. Cooke. ROW 2—Coach McGinnis, A. Ambrose, D. Carlson, J. George, J. Wolverton, L. Hrabak.

The new tennis coach, William McGinnis, led the team to a fine record this spring. In what most people considered a "rebuilding year," the spirited netmen finished the season with an impressive 6-2 record. Team co-captains were juniors Joe Plummer and Jim Glaser. Jim Knarr was the only Titan to go undefeated in the singles as he won eight straight matches. Knarr played as first man, and Jim Glaser, Joe Plummer, and Tom Cooke played in the second, third, and fourth positions. They were followed in order by Doug Carlson, Jim George, Jon Woolverton, and Andy Ambrose. Those who received letters were: Tom Cooke (2nd), and Jim Glaser (2nd), Joe Plummer (3rd), Jim Knarr (1st), Doug Carlson (1st), Jim George (1st) and Jon Woolverton (1st).

The Titans won their first four matches. They defeated St. Vincent in their opening match, 9-0. Then followed a victory over Duquesne, 7-2. The netmen topped Grove City, 6-2, and smashed Waynesburg, 9-0. A 4-5 loss to Carnegie Tech halted the Titans' winning streak, but they recovered to beat Duquesne 7-2, and St. Francis 9-0. In the last game they fell to defeat at the hands of Geneva, 4-5.

The Titans won the singles championship at the West Penn Conference tournament as Jim Knarr edged out top players from Duquesne, Waynesburg, and Carnegie Tech.

ROW 1—R. White, E. Mayer, J. Miklos, R. Kells, ROW 2—S. Abbey, B. Amsdell, G. Bilowick, Coach Burry.

The golf team, coached for the first time by Dr. Harold Burry, finished the 1962 season with a 6-3 record. Six team members were awarded letters for their season's play: George Bilowick, Bob Amsdell, Earl Mayer, Steve Abbey, John Miklos, and Ron White.

The season opened against St. Vincent as the team absorbed its first set-back, 2-5. The next match was again with St. Vincent but the Titans turned the tables to win 5-2. The Burrymen edged past St. Frances 4-3, but lost to Duquesne  $2\frac{1}{2}-4\frac{1}{2}$ . The team scored victories over Carnegie Tech, Waynesburg, and Duquesne. Then they traveled to Grove City where they lost to their rivals by the score of 1-6. The following day they upset Geneva  $4\frac{1}{2}-2\frac{1}{2}$ .

The golfers surprised everyone when they walked off with first place in the W.P.I.A.C. matches. Two freshmen, Earl Mayer and Steve Abbey, led the Titans with a 74 and 75 respectively.

The great end of education is, to discipline rather than to furnish the mind; to train it to the use of its own powers, rather than fill it with the accumulations of others.
